

Lake Eyre Basin Community Advisory Committee

Meeting 4

14th and 15th September 2004 – Longreach, Qld

ACTION LIST

ACTION	WHO?
Action 74: Wild Rivers Initiative: Thank the Qld Minister for Natural Resources, Mines and Energy, for the presentation from his Department, and encourage the concept of wide consultation on the Wild Rivers legislation and ongoing arrangements to maintain community input.	Vol, Angus
Action 75: Wild Rivers Presentation DNRME. Circulate the DNRME powerpoint presentation to all members for information (check with DNRME about circulation of the map).	Vol
Action 76: Stream gauging stations. Circulate copies of DNRME presentation on location of stream gauging stations with minutes to all members and observers.	Vol
Action 77: Stream gauging stations. Recommend to the SAP that siting of these gauging stations be subject to Indigenous cultural heritage review.	Vol, Angus
Action 78: Qld wetland mapping and profile projects. Obtain info. from Vanessa Bailey on the recently approved Queensland wetlands projects, for circulation to the CAC.	Vol
Action 79: Boundaries of LEB Agreement area in SA. Maintain contact between the CAC and the SA Gov't on consultations planned for February 2005 in northern SA, especially in regard to CAC members' involvement.	Angus, Vol
Action 80: • Improving links with and responsiveness to community groups <ul style="list-style-type: none"> – Brochure: compile the story/role/brief of the CAC in a short brochure for the information of all groups in the basin – Agenda item pro-forma: compile a pro-forma for agenda papers to send to community groups if they want a CAC member to take an issue to the CAC on their behalf. – Contact Community groups: After each meeting, write to all groups inviting input to next meeting via CAC members and agenda paper template. – Presentations by CAC members: Provide resources (e.g. powerpoint presentation and diagrams) for all CAC members to give presentations to their networks on the group's role and work. 	Vol
Action 81: Stakeholder review of draft strategies under the LEB Agreement. Gov't officers and CAC facilitator to communicate on the process needed to best progress these strategies to the next level; include convening another workshop with all stakeholders.	Scott, Nigel, Bernice, John Childs, Vol
Action 82: CAC feedback on content of draft strategies. All members to provide specific comments on content of the drafts to Vol by email or fax.	All CAC members
Action 83: Information on monitoring initiatives in the basin. Let Vol know of any other projects that should be included the summary of resource condition monitoring activity in the basin.	all members

ACTION	WHO?
Action 84: <u>Discussion document on multiple resource condition monitoring initiatives in the basin.</u> Update the discussion document with a couple of new maps, and circulate the document and maps more widely.	Vol
Action 85: <u>CAC delegation to meeting on LEB Rivers Assessment 16 Sept 2004.</u> CAC members attending tomorrow's meeting (16 Sept 04) to come back to the CAC with feedback and recommendations for next steps in CAC involvement in Rivers Assessment project	Angus, Lynn, Mick, Lesley, Jim, Vol
Action 86: <u>Scoping paper for a social/economic profile of the basin.</u> Compile a scoping paper for a funded project to compile a social and economic profile of the basin, for submission to the CAC out of session within a month, and tabling with the SAP at the next meeting.	Mick, Lynn, Geoff Lawrence, Vol
Action 87: <u>Aboriginal cultural heritage issues:</u> Provide further advice to MF on the need for full consultation with Aboriginal people about cultural heritage issues in all aspects of LEB IGA and NWI, and the need for Indigenous issues to be genuinely taken in to account.	Vol, Angus
Action 88: <u>Regulatory protection of Aboriginal cultural heritage.</u> Collate information on regulatory protection of Aboriginal cultural heritage in SA and NT, to provide as background to Joslin.	Lynn, Bernice, Jim, Vol
Action 89: <u>LEB Heritage Tourism report.</u> Review and provide feedback on Joc Schmiechen's LEB Heritage Tourism report. What parts of the report relate to our core business, and how do we progress this?	All members
Action 90: <u>LEB Heritage Tourism report.</u> Advise Ministerial Forum that we have received the report and will review it and discuss at our next meeting.	Angus, Vol
Action 91: <u>LEB Heritage Tourism report.</u> Write to Joc Schmiechen thanking him for the report, congratulating him on the work, and informing him that we will review the report and discuss at our next meeting.	Angus, Vol
Action 92: <u>CAC member registration for LEB conference Oct 04.</u> Contact all CAC members to confirm attendance or not, and register all members who will attend	Vol
Action 93: <u>LEB Conference break-out group discussion topics.</u> Members wanting to raise issues as discussion topics for the break-out groups: contact Scott, Angus or Vol	All members
Action 94: <u>Affirm CAC's position on Aboriginal involvement.</u> Re-attach our advice to Ministers from the last meeting in (regard to Aboriginal involvement) to our advice from this meeting, to re-establish our previous recommendations on Aboriginal involvement. Emphasise the need for capacity to be able to share costs with other groups also consulting Aboriginal people in the basin.	Angus, Vol
Action 95: <u>Indigenous cultural inductions: Qld Government.</u> Contact Qld Government about what sessions they run for Indigenous cultural induction.	Joslin
Action 96: <u>Devolved Grants to allow flexibility for projects.</u> Obtain information on devolved funding arrangements in SA, NT and Qld to address issues of availability, timing and carry-over of funds for projects requiring flexibility, and compile as agenda item for next meeting.	Lynn to coordinate with Jim
Action 97: <u>CAC membership issues.</u> In our letters to Ministers after this meeting, include CAC's advice on resignations and any recommendations for replacements	Angus, Vol

ACTION	WHO?
Action 98: <u>Aboriginal membership on the CAC.</u> Include this matter in the program for the Aboriginal forum in Alice Springs in October, and seek recommendations from Indigenous people at that forum on how Aboriginal membership on the CAC.	George, Joslin, Vol
